

Affixing
the toll sticker

HOW TO ATTACH THE STICKER

Car toll sticker

Attach the vignette on the inside of the **windscreen** of your car. Our recommendation: at top left or behind the rear view mirror. The vignette must be **clearly visible from outside**.

Attention: Do not attach the vignette in the tint strips!

Motorbike toll sticker

Attach the vignette on a **clean and non-replaceable part** of your motorcycle (e.g. a fork rod).

Attention: A vignette attached to a luggage case or a motorcycle bag is not valid.

IMPORTANT: A vignette that is just carried along in your vehicle (parking slip holder, glove box ...) is not valid!

How to remove a vignette

It is best to lift a corner with a glass or vignette scraper and then slowly pull off the vignette. Moisten the remains with water and wipe off with a clean cloth.

ASFINAG

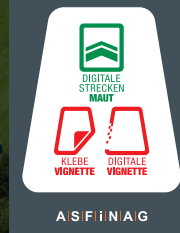

HAVE A SAFE TRIP, AUSTRIA!

Where to get your toll sticker

Adhesive vignettes and digital vignettes are available at around 6,000 **points of sale**, including petrol stations, tobacconists, motorists' clubs, and ASFINAG toll stations. Digital toll products are also available at ASFINAG ticket machines.

For an overview of our points of sale and the toll products available there, go to asfinag.at/vertriebsstellen.

FROM 1 DECEMBER 2025

YOUR BENEFITS:

- 1 No sticking on, no scratching off:**
quickly and simply activated.
- 2 Broken windscreen? No problem:**
The Digital Vignette is linked to the licence plate. And because there's no sticker, there's no need for a replacement vignette if your windscreen breaks.
- 3 Save money in the case of interchangeable licence plates:**
You only need one single Digital Vignette which is valid for up to three vehicles.
- 4 Even better service with a subscription:**
A subscription automatically renews the digital annual vignette until further notice. No more missed deadlines, no extra work, and a valid vignette at all times. Also applies to multi-trip pass for digital section tolls.

FOUR SIMPLE STEPS TO YOUR DIGITAL VIGNETTE

- 1 Go to **shop.asfinag.at** or use our free **ASFINAG App**.
- 2 **Choose** between passenger car and motorcycle and determine the **period of validity**: 1-day, 10-day, 2-month or annual vignette.
- 3 Enter the **country of registration**, the **licence plate number** and your **e-mail address**. Select the validity start date. We will send your order confirmation to this e-mail address.
- 4 You can pay using Amazon Pay, EPS, credit card, PayPal, or direct debit.

Drive safely and affordably on 2,278 km of motorway: With an annual vignette, you can drive on Austria’s motorways and expressways for **approx. 29 cents per day**.

PRICES & TYPES

VIGNETTE TYPES AND VALIDITY PERIODS

How to easily find the right vignette for cars and motorcycles: There are annual, two-month and ten-day vignettes (Digital Vignettes). Be it the toll sticker or digital vignette: **The same rates apply to both.**

The **2026 annual vignette** is valid from **1 December 2025 until and including 31 January 2027**.

Attention with toll stickers: When buying toll stickers for 2 months or 10 days, they are punched at the point of sale. If these toll stickers are not punched, they are invalid.

Current Vignette rates IN EUR INCL. VAT

Vehicle category	annual vignette	2-month vignette	10-day-vignette	1-day vignette digitally only
A Single-track motor vehicle	42.70	12.80	5.10	3.80
B Cars and motor vehicles up to 3.5 t *	106.80	32.00	12.80	9.60

For further information and the current toll rates, go to **asfinag.at**.

* Maximum Technically Permissible Laden Mass (MTPLM)

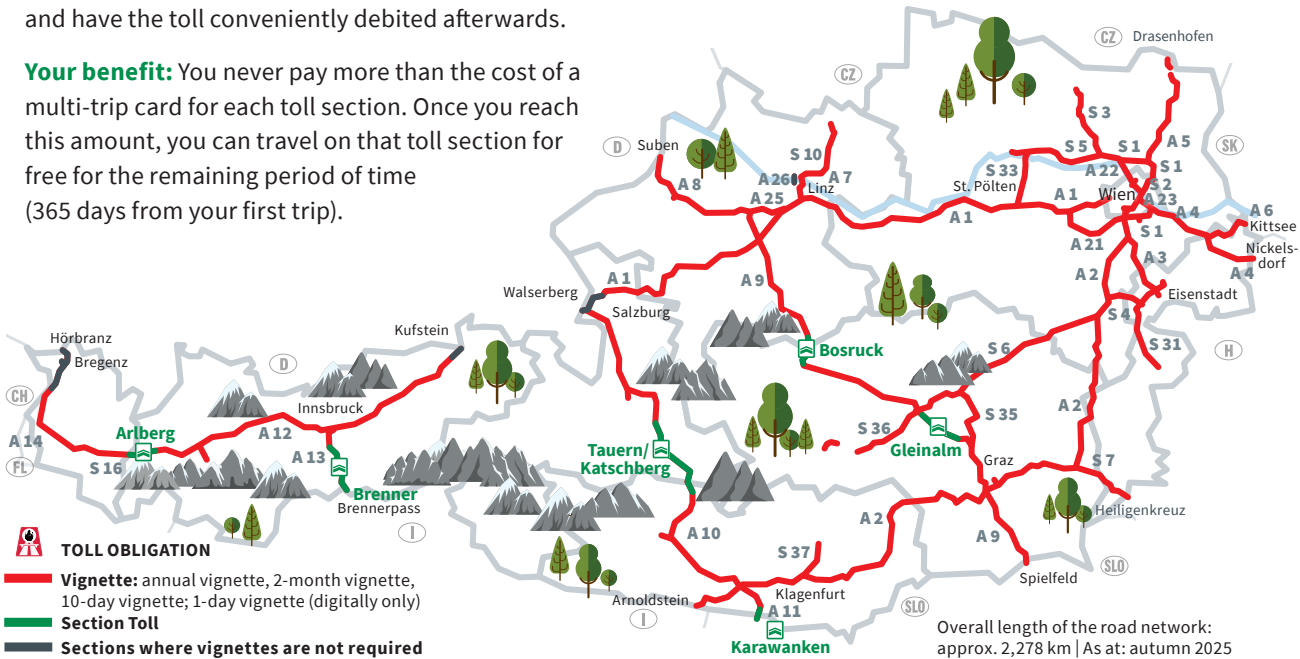

CONSTRUCTION AND MAINTENANCE OF CERTAIN SECTIONS IS PARTICULARLY COSTLY. THESE SECTIONS ARE SUBJECT TO A SEPARATE TOLL RATE.

This is how it works:

- Purchase section toll tickets (individual single trip or multi-trip pass) directly at the respective toll station in cash, with credit card, fuel card or cashpoint card.
- Purchase the **digital section toll** at shop.asfinag.at, via our ASFINAG app, from the ticket machines or at selected sales partners.
- If you want to use different toll sections, the **digital section toll FLEX** is ideal: Register at **shop.asfinag.at** and have the toll conveniently debited afterwards.

Your benefit: You never pay more than the cost of a multi-trip card for each toll section. Once you reach this amount, you can travel on that toll section for free for the remaining period of time (365 days from your first trip).

PLEASE NOTE

18-DAY PERIOD

Consumer protection is very important to us.

- **Digital vignette (annual, 2-month vignette):** As a private customer, you can withdraw from the online purchase of the digital vignette within 14 days. Taking into account a further three-day period for mail delivery, your digital vignette is valid from the 18th day after purchase. These restrictions do not apply to business customers.
- **Digital vignette (10-day, 1-day vignette):** Valid immediately
- **Digital section toll:** Valid immediately
